25X1X

1. A new edition of Kotowski-Sabotka "Drahtloser Ueberseeverkehr" was published in 1950 by the Hirzel Publishing Company of Leipzig. This new edition was published without the approval or knowledge of Kotowski. There has been no connection between Kotowski and the Akademische Verlagsgesellschaft of Leipzig since 1945 nor is this publishing firm re-editing any of Kotowski's books.
2. Members of Kotowski's family are certain that he is still in Leningrad.

25X1A

[REDACTED] Comment: Considerable significance is attached to Paul Kotowski, a German electronics navigation specialist, who has reportedly developed a long range electronics navigation system for the Soviets. This work was done in collaboration with one Hans Kaufmann.
